# EMERGENCY ROOM OR URGENT CARE?

More than 10 percent of all emergency room visits could have been better addressed in an urgent care facility or a doctor's office. Your health plan with Insurance Committee of the Assessors' Insurance Fund covers both emergency room and urgent care visits. If you're suddenly faced with symptoms of an illness or injury, how can you determine which facility is most appropriate for your condition?

## - Emergency Room

The emergency room (ER) is equipped to handle **life-threatening injuries and illnesses** and other serious medical conditions. Patients are generally seen according to the seriousness of their conditions in relation to other patients.

Go to the nearest ER if you experience any of the following:

- Compound fractures
- Shortness of breath
- Broken bones
- Poisoning
- Seizures
- Chest pain or difficulty breathing
- Uncontrollable bleeding

Cost with The Health Plan Medical PPO: \$100 copay per visit

Urgent care centers also offer after-hour care. Unlike emergency rooms, they are not equipped to handle life-threatening situations. Rather, they are designed to address **conditions where delaying treatment could cause serious problems or discomfort.** 

These conditions can be treated in an urgent care center:

- Cuts that require stitches
- Diagnostic tests (x-rays, labs)
- Ear infections
- Fever or the flu
- Sprains or strains
- Vomiting, diarrhea or dehydration
- Urinary tract infections

Cost with The Health Plan Medical PPO: \$45 copay per visit

Choosing the appropriate place of care not only ensures prompt and adequate medical attention, it also helps reduce unnecessary medical expenses. Although urgent care centers are usually more cost-effective, they are not a substitute for emergency care.

With the Dental PPO plan you also have the ability to obtain dental care services from the dentist of your choice (contracted or not). Please Note: It is recommended that when a course of treatment is expected to cost \$300 or more, and is of a non-emergency nature, your dentist should submit a treatment plan before he / she begins. This enables you to see what your out-of-pocket expenses will be so you are not surprised and can budget accordingly. There is also a possibility that suggested procedures may be denied, and alternative procedures approved based upon X-rays and supporting documentation.

Dollar for dollar, you get the best value from your vision care plan when you visit a VSP network doctor. If you decide not to see a VSP doctor, the Out of Network plan copays will still apply. ### WHERE SHOULD I GO FOR CARE? Helping you choose the right care center

Do you know where to seek care when an unexpected health situation happens? Make sure you are ready when you have to make an urgent healthcare decision. Doctor's Office	You need routine care or treatment for a current health issue. Your primary doctor knows you and your health history, can access your medical records, provide preventive and routine care, manage your medications and refer you to a specialist, if necessary.	<ul> <li>Routine checkups</li> <li>Immunizations</li> <li>Preventive services</li> <li>Manage your general health</li> </ul>	<ul> <li>Often requires a copayment and/or coinsurance</li> <li>Normally requires an appointment</li> <li>Little wait time with scheduled appointment</li> </ul>
Convenience Care Clinic	You can't get to your doctor's office, but your condition is not urgent or an emergency. ## EMPLOYER PROVIDED LIFE AND DISABILITY

#### Basic Life and AD&D

Although we don't like to think about it, should death occur, the survivors left behind could face serious financial hardships. Your family might need an alternative source of income to pay off your bills and meet their ongoing financial responsibilities. That is the purpose of life insurance - to provide funds for those left behind.

It is also possible that an accident could cause serious injury -the loss of limbs or eyesight, for example. There is special insurance coverage which pays benefits if an accident causes loss of life, limb or sight -it is called accidental death and dismemberment (AD&D) insurance. AD&D pays an amount equal to your life insurance benefit in the event of your accidental death. It also provides benefits for certain accidental injuries. As an eligible employee of Louisiana Assessors' Ins. Fund, you are provided with life and AD&D insurance coverage through Guardian Life at no cost to you. Refer to the chart below for the benefit amounts.

## **VOLUNTARY LIFE INSURANCE**

#### Voluntary Life Insurance

In addition to the basic life insurance plan, you are eligible to purchase additional amounts of individual term life insurance through Guardian Life Ins Co of America for yourself, your spouse and your children. There are three points to consider when deciding how much life insurance coverage you might need:

- If you have dependents that rely on you, how much will they need to pay off your current debts such as your mortgage, car loans, or credit card balances?
- What will it cost your beneficiaries to maintain their current standard of living?
- What kind of future would you like to provide for your spouse or dependent children or others who rely on you for financial support?

Voluntary life benefits are non-taxable when funded with post-tax dollars. The price you pay for voluntary group term life insurance is a function of your age and your coverage amount. The table shows the price for voluntary life insurance.

Coverage For	Coverage Amount	
Employee	Increments of \$10,000 up to a maximum of \$100,000	
Spouse	Increments of \$5,000 up to a maximum of \$50,000 Not to exceed 50% of the employee election.	
Child/ren	\$10,000 Not to exceed 10% of employee amount	

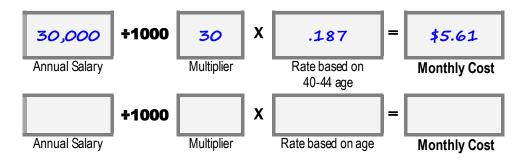

#### Important Things to Consider Regarding Your Life Insurance

- Remember to update your beneficiary annually.
- Benefits reduce with age beginning in the year you reach age 70.
- You must elect coverage for yourself in order to enroll in the dependent life benefits.
- You will be required to submit Evidence of Insurability if:
  - You declined voluntary life for you or your dependents during your initial eligibility period and would like to enroll for coverage now.
  - You elect to increase your current election in excess of the Guaranteed Issue amount.

#### **EXCLUSIONS AND LIMITATIONS**

A SUMMARY OF PLAN LIMITATIONS AND EXCLUSIONS FOR CRITICAL ILLNESS:

We will not pay benefits for the First Occurrence of a Critical Illness if it occurs less than 3 months after the First Occurrence of a related Critical Illness for which this Plan paid benefits. By related we mean either: (a) both Critical Illnesses are contained within the Cancer Related Conditions category; or (b) both Critical Illnesses are contained within the Vascular Conditions category. We will not pay benefits for a Second occurrence (recurrence) of a Critical Illness unless the Covered Person has not exhibited symptoms or received care or treatment for that Critical Illness for at least 12 months in a row prior to the recurrence. For purposes of this exclusion, care or treatment does not include: (1) preventive medications in the absence of disease; and (2) routine scheduled follow-up visits to a Doctor.

We do not pay benefits for claims relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while same or insame.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding I year; or (b) in an area under travel warning by the US Department of State, subject to state specific variations. If the plan is new (not transferred): During the exclusion period, this Critical Illness plan does not pay charges relating to a pre-existing condition. If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. A pre-existing condition includes any condition for which an employee, in a specified time period prior to coverage in this plan, consults with a physician, receives treatment, or takes prescribed drugs. Please refer to the plan documents for specific time periods. State variations may apply.

Guardian's Critical Illness plan does not provide comprehensive medical coverage. It is a basic or limited benefit and is not intended to cover all medical expenses. It does not provide "basic hospital," "basic medical," or " medical" insurance as defined by the New York State Insurance Department.

The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. See your certificate booklet for a full listing of exclusions & limitations..

If Critical Illness insurance premium is paid for on a pre tax basis, the benefit may be taxable. Please contact your tax or legal advisor regarding the tax treatment of your policy benefits..

### **BE A BETTER HEALTH CARE CONSUMER**

Practice prevention. Get annual physicals, take any prescribed medication as directed, wash your hands often during cold & flu season and get a flu shot each year. Healthy lifestyle habits, like eating well, exercising, and not smoking, can be as good for your wallet as they are for your body and mind.

Understand the true costs of your care. Find out the actual costs of health care services & prescription drugs. You'll find that there are often cheaper treatment options (such as generic drugs) that can save you money while providing you the care you need. Go to www.abcbenefits.com to find helpful tools.

Stay in-network. When receiving medical care, be sure to use doctors, hospitals, pharmacies and labs that are inside your network. In-network providers and services will always cost less than those who are out of the network.

Talk with doctors. Share information openly with doctors and ask questions so that you can get the care you need, when you need it. Prepare questions before visiting your doctor to make the most of your visit.

Take responsibility for your self-care. Take an active role in your health by researching and understanding your health issues, following recommended treatment plans, and working to prevent further symptoms.

#### <u>Group #0180951100, 0180951101,0180961102</u> <u>WORKING SPOUSE VERIFICATION</u>

I, \_\_\_\_\_\_\_, hereby acknowledge and agree that Louisiana Assessors' Association Employee Benefit Plan ("the Plan") for 2022 includes a Working Spouse Rule. As an LAA employee/retiree, this rule requires me to verify that, if my spouse is an eligible employee with access to "Comprehensive Medical Coverage" through his or her own employer, my spouse is no longer eligible to be covered by the Plan where the Plan will be the primary payer. My spouse may, however, be covered by the Plan where the Plan is a secondary payer. "Comprehensive Medical Coverage" means coverage for a broad set of medical services, including, but not limited to, doctor's visits, hospital admissions, day surgery, emergency services, mental health and substance abuse and prescription drug coverage and does not include a plan or policy that covers only a fixed dollar amount per day or stay in the hospital, with the patient responsible for all other charges.

My signature below verifies that my spouse is:

Not eligible for CMC through their employer so they will be enrolled in the LAA plan for primary coverage

Eligible for CMC through their employer so they are not eligible for primary coverage with LAA; the Plan will be a secondary payer of medical claims

Other Medical Coverage Plan Name:

Other Coverage Plan Number: \_\_\_\_\_

Type of Coverage: Employee Only \_\_\_\_\_ Family \_\_\_\_\_

I further agree that should my spouse's eligibility for coverage change during the year, I am responsible to notify LAA of the change so that appropriate changes can be made to my health plan coverage. I further acknowledge that failure to properly report my spouse's eligibility for coverage under the Plan may entitle LAA to recover all benefits that were erroneously paid on my spouse's behalf.

Important Legal Notices

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see page 8 for more details.

<u>IMPORTANT NOTICE</u>: This document is provided to help employers understand the compliance obligations for Health & Welfare benefit plans, but it may not take into account all the circumstances relevant to a particular plan or situation. It is not exhaustive and is not a substitute for legal advice.

## Important Legal Notices Affecting Your Health Plan Coverage

## THE WOMEN'S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, your plan's deductibles and coinsurance apply.

## **NEWBORNS ACT DISCLOSURE - FEDERAL**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a State CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- coverage is lost under Medicaid or a State CHIP program; or
- you or your dependents become eligible for a premium assistance subsidy from the State.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact the person listed at the end of this summary.

### Important Notice from Insurance Committee of the Assessors' Insurance Fund About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Insurance Committee of the Assessors' Insurance Fund and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Insurance Committee of the Assessors' Insurance Fund has determined that the prescription drug coverage offered by the Pharmacy Benefit is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15thto December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

# What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Pharmacy Benefit coverage will be affected. See Pharmacy Section within this Benefit Guide for an explanation of the benefit.

If you do decide to join a Medicare drug plan and drop your current Pharmacy Benefit coverage, be aware that you and your dependents will be able to get this coverage back.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Insurance Committee of the Assessors' Insurance Fund and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

# For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Insurance Committee of the Assessors' Insurance Fund changes. You also may request a copy of this notice at any time.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of October 15, 2021. Contact your State for more information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

For m Approved OMBNo.1210-0149 (ex pires 6-30-2023)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

#### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

#### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

#### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. 1

**Note**: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

#### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer - sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

	** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other				

factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

• An employer - sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36 B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
