

Program Details

The Louisiana Assessors' Association has partnered with Empower Health Services to offer our annual blood screening at no cost to you! The EHS Individual Screening Program runs from January 1 through April 26, 2024. Please note that this program is optional and that your screening results will be confidentially provided to you to share with your doctor.

An annual screening allows you to identify health risks early and better understand your overall wellness. Following the registration process, you can complete your screening at a local LabCorp patient service center.

Your Screening Package Includes:

- **Panel C** – Testing that consists of a 37–component blood chemistry profile. In addition to identifying signs of heart disease and diabetes, Panel C tests for liver and kidney malfunction, and thyroid, blood, and nutrition disorders.
- **Hemoglobin A1c** – Assesses blood sugar levels over the past 90 to 120 days. This test can help diagnose type 2 diabetes and prediabetes.
- **Prostate Specific Antigen (PSA)** – Screens for signs of prostate cancer in men. (Included at no cost for men age 40+)
- Self-Reported Blood Pressure Evaluation – Please provide your most recent blood pressure reading during the online registration process. Blood pressure is expressed by a systolic (top number) and diastolic (bottom number) measurement. (Example: 120/80; 120 = systolic and 80 = diastolic)
- Self-Reported Height and Weight with Body Mass Index Calculation
- Empower Health Assessment™
- One year of unlimited access to our user portal, designed to help you understand and grow your health.
- Results are confidentially and securely available online at empower.health within 2-3 business days of your lab visit.

ELIGIBLE PARTICIPANTS

Employees, Spouses, Retirees,
and Retiree Spouses

SCREENING FEES

No cost to you!

REGISTRATION DEADLINE IS 04/19/24

SCREENING DEADLINE IS 04/26/24

Follow These Steps To Participate

1. Go to: empower.health

Returning Participants: If you previously created an account, sign in under "Welcome Back!"

New Participants: Complete "New User" fields and enter client code: **LouisianaAssessorsEHS**

A verification email will be sent. Verify your email address to activate your account.

2. On the Dashboard, click "Register" and select "Individual Program" to complete registration by **04/19/24**

3. Complete the Empower Health Assessment™

Click "Begin Assessment" when prompted during registration or from the dashboard.

4. Await your LabCorp confirmation email

Once the registration steps are complete, you will receive a confirmation email containing next steps. You must wait until you receive this email before visiting the lab.

5. Visit the lab by **04/26/24**

- a. Your confirmation email will include your COR order number. Please bring this number to your appointment.
- b. We recommend printing your LabCorp Requisition to bring to the lab. You can access your requisition and lab information through your personal empower.health portal.

6. Access your results on empower.health

After your lab visit, you can expect to receive an email letting you know that your screening results are ready to view online approximately 2-3 business days from your lab visit.

Please contact your local Human Resources Administrator with questions regarding the EHS Individual Program and your company's benefits plan. With questions about participating in the EHS Individual Program, please contact EHS:

- Phone: 866.367.6974
- Email: individualprogram@empowerhealthservices.com
